Play in a desert that has it all. Oh, the memories you'll make jostling through rugged trails in an all-terrain vehicle. Keep that camera handy to capture must-share shots when you sunbathe on a beach that's — get this — along a lake in the middle of the desert, spanned by the actual, relocated London Bridge. And the views from hot air balloons? Divine. This is the vacation your family will recount for decades. **Helpful**
