Indulge in Mother Nature's gifts. Fire up the grill, because you may be cooking the trout and salmon you catch in Lake Granby. Unless you're too busy hiking three grand national forests, that is. Or dog sledding. Or soaking in a hot sulphur spring. This is the place for quality time. Just step into the glorious outdoors, far from the gizmos but within a halo of shared happiness. **Helpful Hints:**

- For Transient Occupancy Tax Information, please click the Tax Information link above.
- High Elevation Alert: 7,935 feet
