Canmore is nestled within Alberta's Bow Valley, surrounded by mountains and wildlife. It's the perfect locale for fishing, climbing, canoeing, all kinds of winter sports and more. Banff National Park is approximately 7.5 miles from your resort, and world-famous Lake Louise is a little more than an hour's drive away. If you want to take it easy, take a stroll through the quaint town. Its main street is home to galleries where painters, quilters, stained-glass artisans and blacksmiths can be found at work. With a little luck, you may even see a Hollywood film being shot here.
