Sundance Resort Atami offers a panoramic view of Atami city and Sagami Bay. Immerse yourself in high-quality hot springs surrounded by the great outdoors that colour the four seasons in a climate that is easy to visit all year round. The town has recently reinvented itself as a destination for museum lovers, Japanese culture fans and ocean sports enthusiasts. The name “Atami” literally means “hot ocean,” a reference to the town’s famous seaside hot springs. Atami has a moderate maritime climate with hot, humid summers, and mild winters. The annual mean temperature is 16°C, with an average maximum of 27°C in summer & an average minimum of 6°C in winter. **IMPORTANT:** This resort has limited rooms with private bathrooms and western style beds. All other units have a private toilet only and no private bath or shower. Bathing is via public baths only in the indoor onsens (mineral hot springs). Clothing, swimwear and the display of tattoos are not permitted in onsens. Japan offers a unique cultural experience and is very different to the style of resorts in the club. When confirming a reservation, please review the [10 tips for your first Japan holiday](#), [Travelling in Japan](#) and the [Onsen - Getting the most out of Japan's hot springs](#) blogs and [Before You Go - Atami](#) web page to prepare you with the information you require when staying at this property.
