[ABOUT THE RESORT](#) [GALLERY](#) [AMENITIES](#) [ROOM TYPE](#) [CREDIT CHART AND SEASON](#)

Tateshina is located in the mountainous Nagano Prefecture and is known for its hot springs and lakes nearby. The resort is situated within 14km of Shirakaba-Lake, 4km of Tateshina Amusement Aquarium and less than 10km to the Shirakaba Highland International ski area. Nagano prefecture was the location of the 1998 Winter Olympics and is the gateway for those who want to ski or snow board in Japan's world famous snow. The annual mean temperature is 11°C, with an average maximum of 24°C in summer & an average minimum of -2°C in winter. **IMPORTANT:** This resort has limited rooms with private bathrooms and western style beds. All other rooms have a private toilet only and no private bath or shower and traditional Japanese futons. Bathing is via public baths only in the indoor onsens (mineral hot springs). Clothing, swimwear and the display of tattoos are not permitted in onsens. Japan offers a unique cultural experience and is very different to the style of resorts in the club. When confirming a reservation, please review the [10 tips for your first Japan holiday](#), [Travelling in Japan](#) and the [Onsen - Getting the most out of Japan's hot springs](#) blogs and [Before You Go - Tateshina](#) web page to prepare you with the information you require when staying at this property.
